Thank You, **Ann!**

Douglas Elliman would like to congratulate our very own **Ann Cutbill Lenane** on turning the challenges of the past year into an opportunity to build community.

When budgets were cut during the pandemic, Ann co-founded **One Block** to rally local, volunteer clean-up crews and hired three, formally homeless workers who are all making a difference, one block at a time.

Learn more about this inspiring organization at **OneBlockUWS.Org**.
